

DIVINE HAIR CREATIONS IS HOLDING THEIR SECOND ANNUAL CUT-A-THON

On Sunday, December 5, 2010, *Divine Hair Creations* will be hosting their second annual Cut-A-Thon. The service providers will be donating their time; offerings include \$10 haircuts, \$10 massages, and \$5 polish changes. All proceeds collected during this event will be contributed to serving and feeding the hungry this holiday season. *Divine Hair Creations* has partnered with a local church in this effort to fight hunger.

The date marks the salon's third anniversary since the change of ownership by Linda Evens and Paul Malone in 2007. Their vision in giving back to the community began with running a canned food drive, as well as collecting unwrapped, new toys for *Toys for Tots*. Evens and Malone hope to raise enough canned food items to ensure that every family has enough to eat this holiday season.

At a young age, Linda promised she would make something of herself. Born and raised in the Philippines, food was often scarce. Linda commented, "I remember as a child how it felt to be hungry. I hope to help others in this local need." Now an owner of her own small business, Linda hopes to bring positive change to the lives of others. She is passionate about serving her community.

Linda and Paul decided to open *Divine Hair Creations* after envisioning a salon of the highest standard of excellence. The *Divine Hair Creations* staff cares for and caters to their guests so that they leave with an exceptional, memorable experience.

Join *Divine Hair Creations* on Sunday, December 5, 2010, from 12:00 – 4:00 PM located at 6070 N. Lockwood Ridge Road in Sarasota to help feed families in need this holiday season.

Divine Hair Creations offers top quality hairstyling, Keratin Strengthening, color services, permanent waves, waxing services, manicures and pedicures, and facials.
